JUNCTION

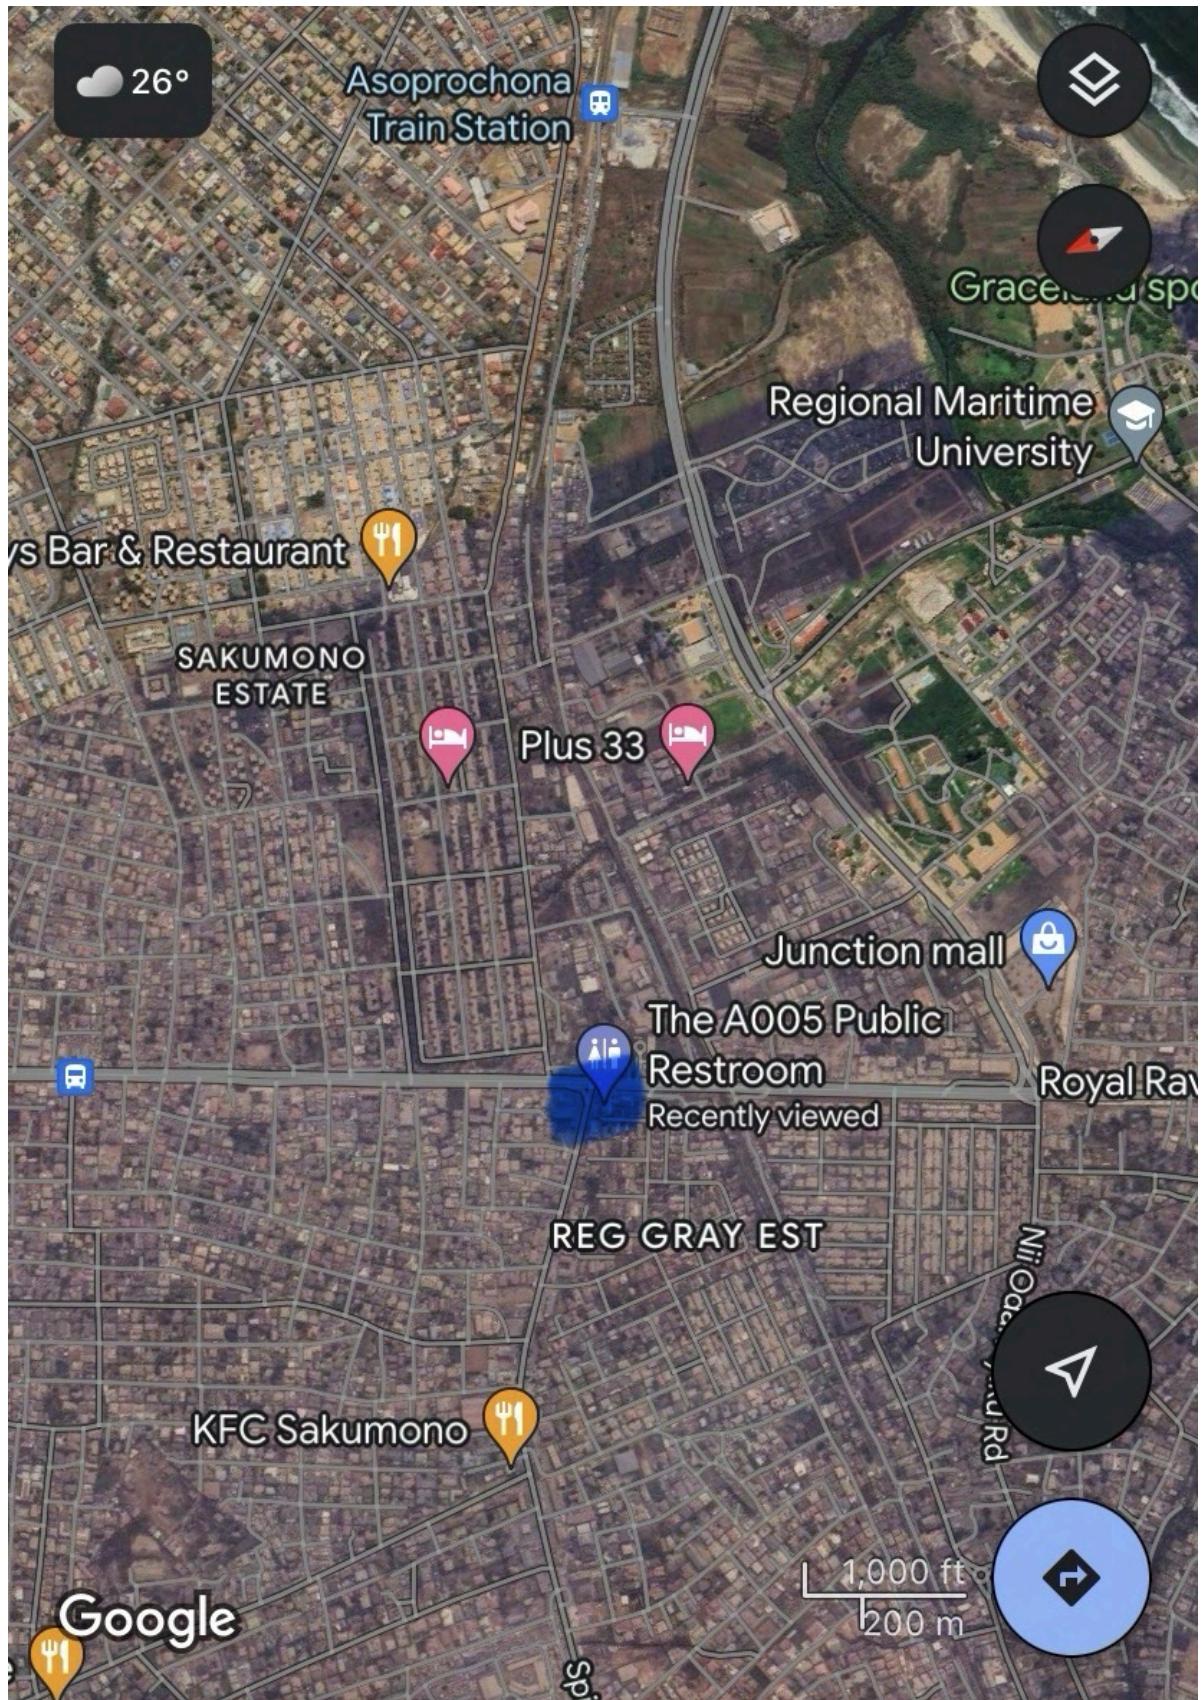

LOCATION

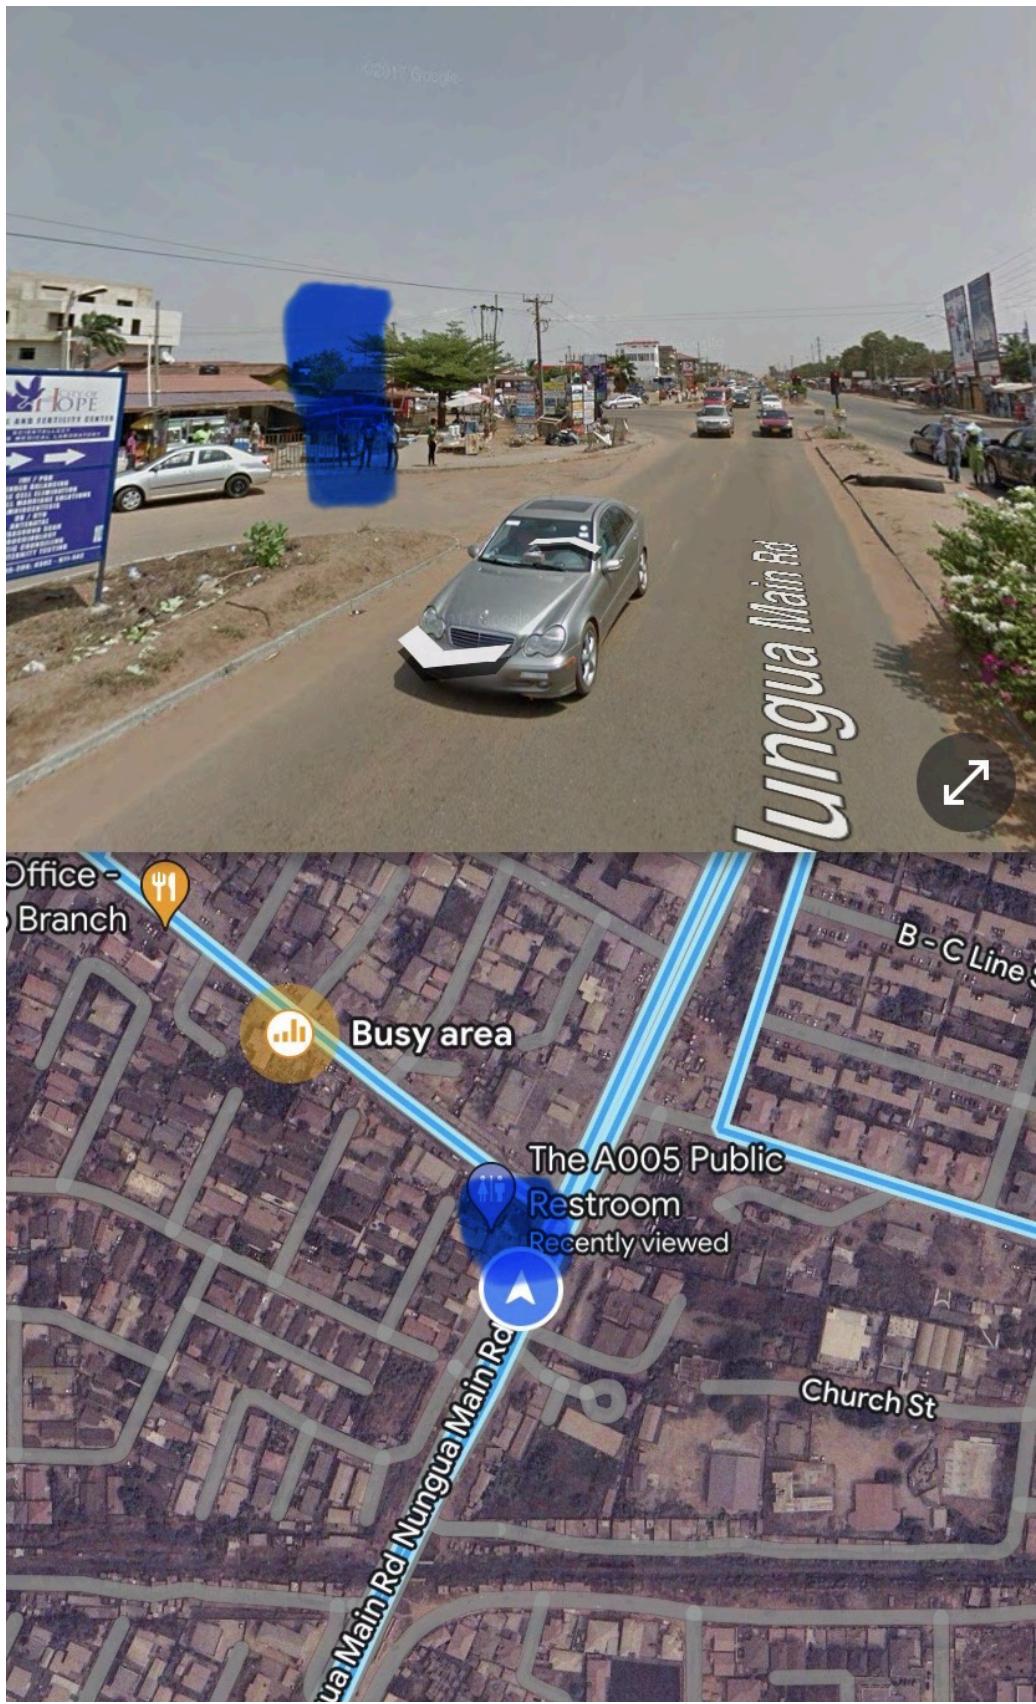

Do you know Sakumono Estate Junction in Accra Ghana?

Yes, **Sakumono Estate Junction** is a well-known location in Accra, Ghana. It is situated near the Sakumono Estates, a residential area close to the coastal town of Tema. The junction connects to major roads, including the Accra-Tema Beach Road, making it a significant traffic point for those commuting between Accra and Tema.

Sakumono is also popular for its proximity to landmarks like Sakumono Lagoon and Sakumono Beach, as well as shopping centers, schools, and recreational areas. The junction itself is a busy area with local shops and businesses, and it's often used as a reference point for transport routes within the region.

TRAFFIC

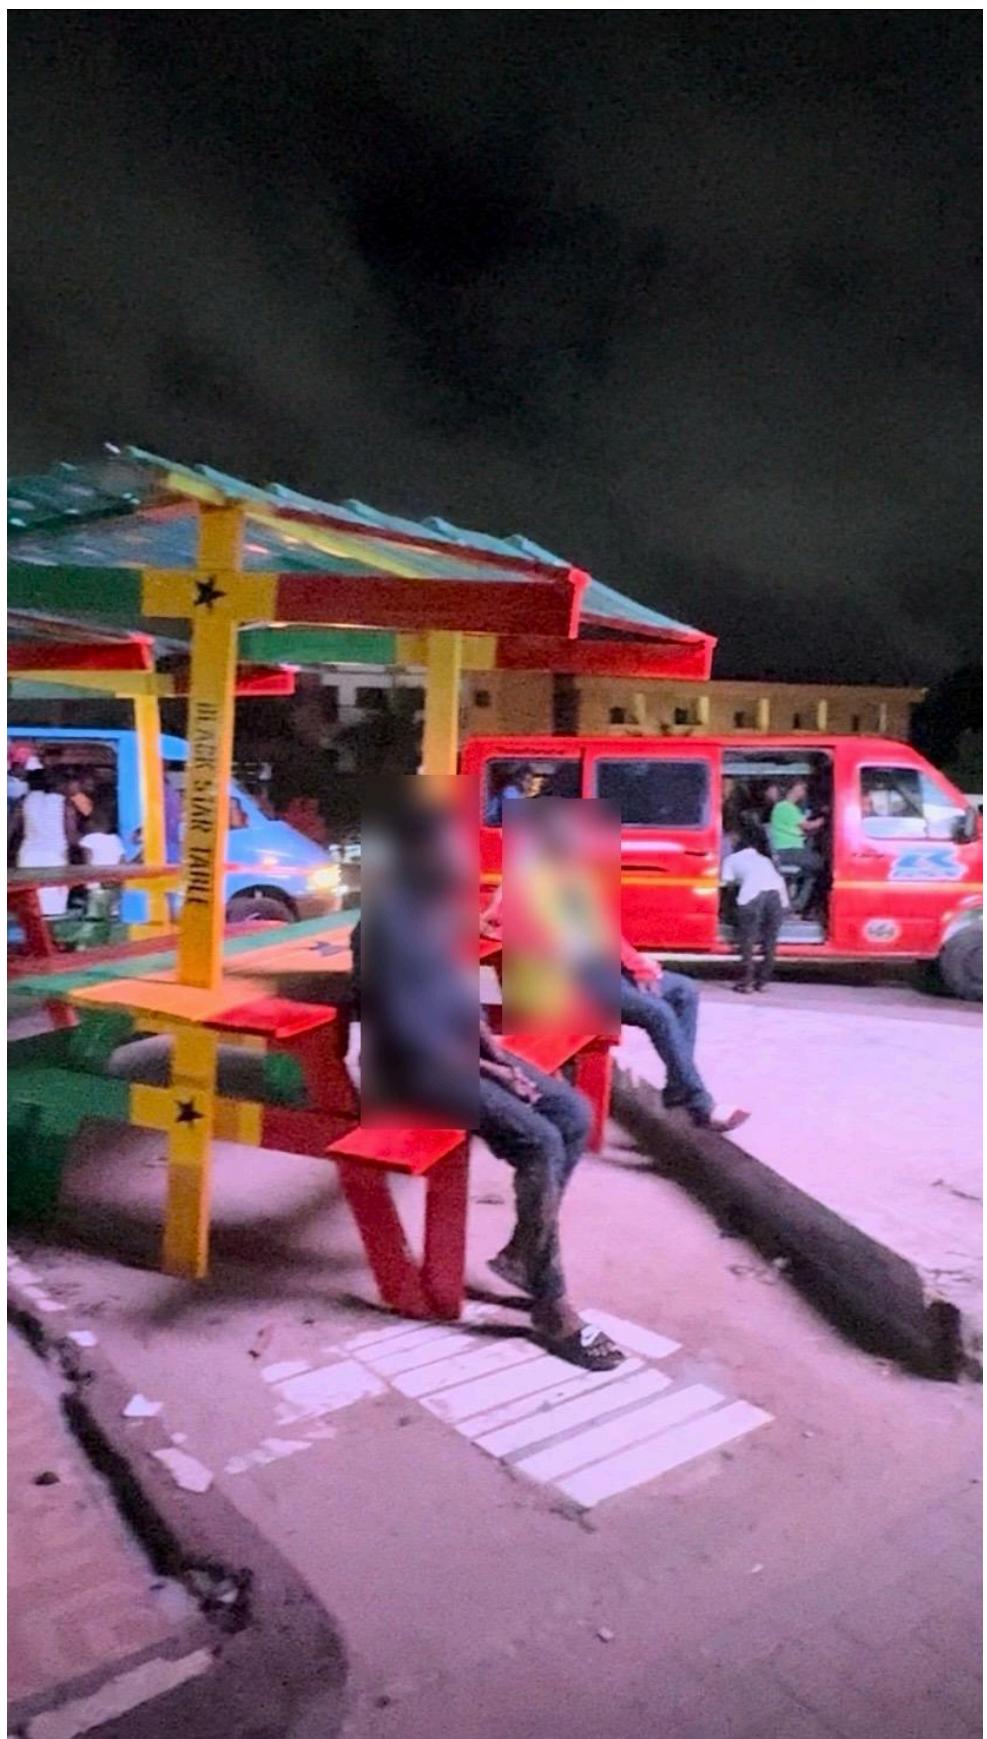

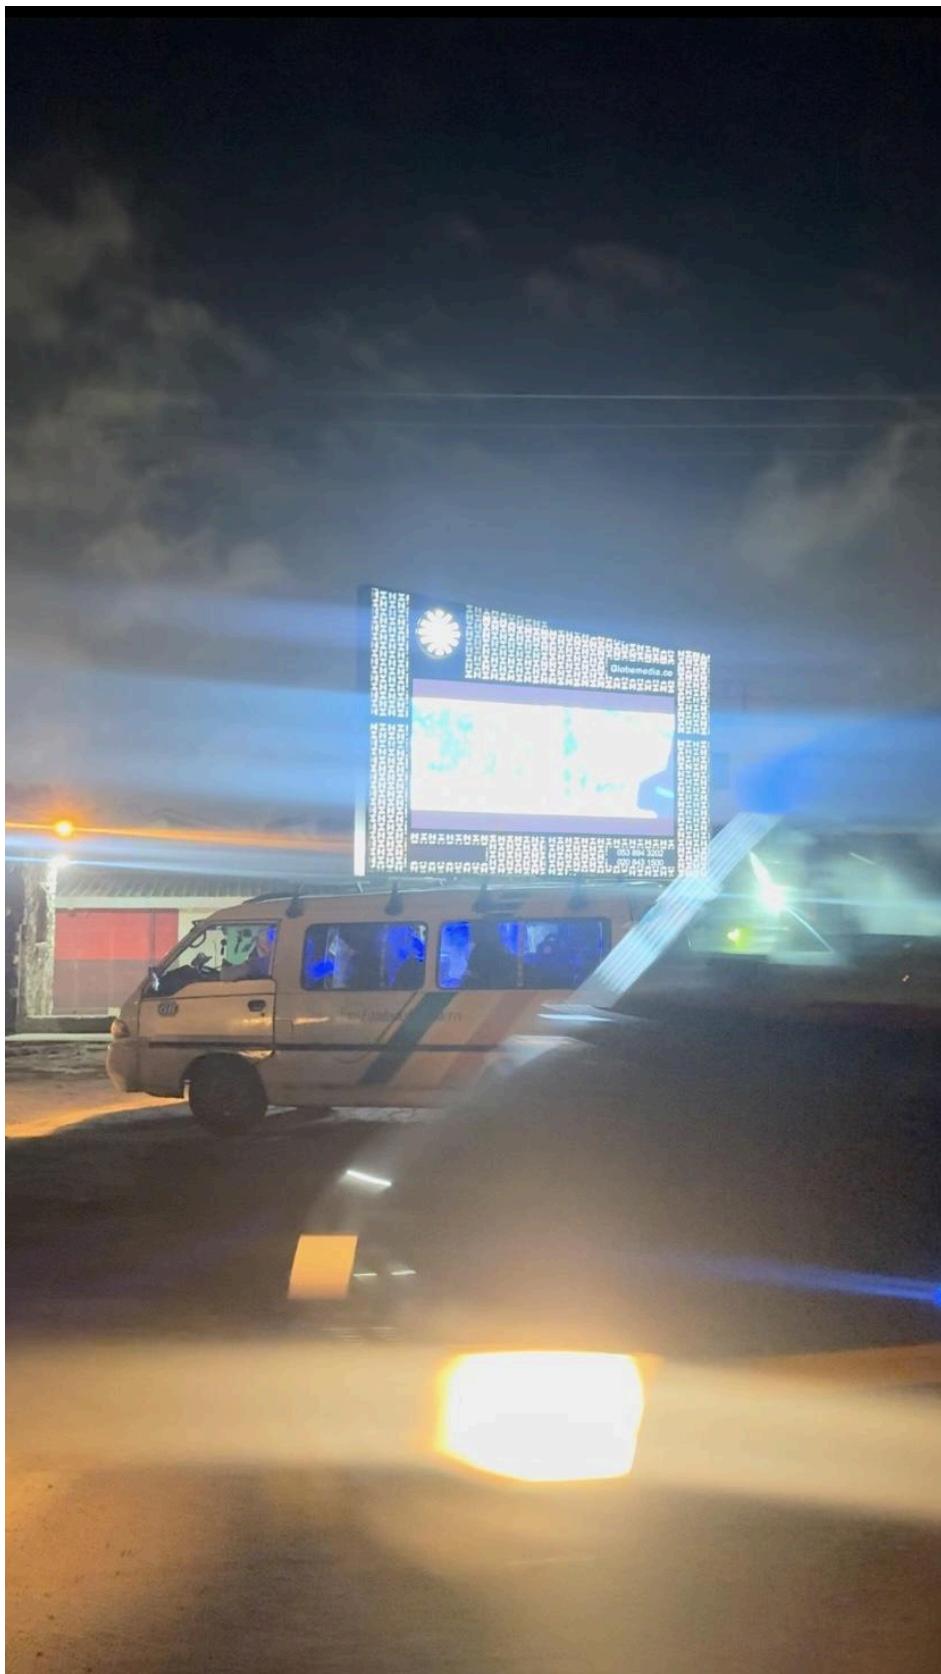

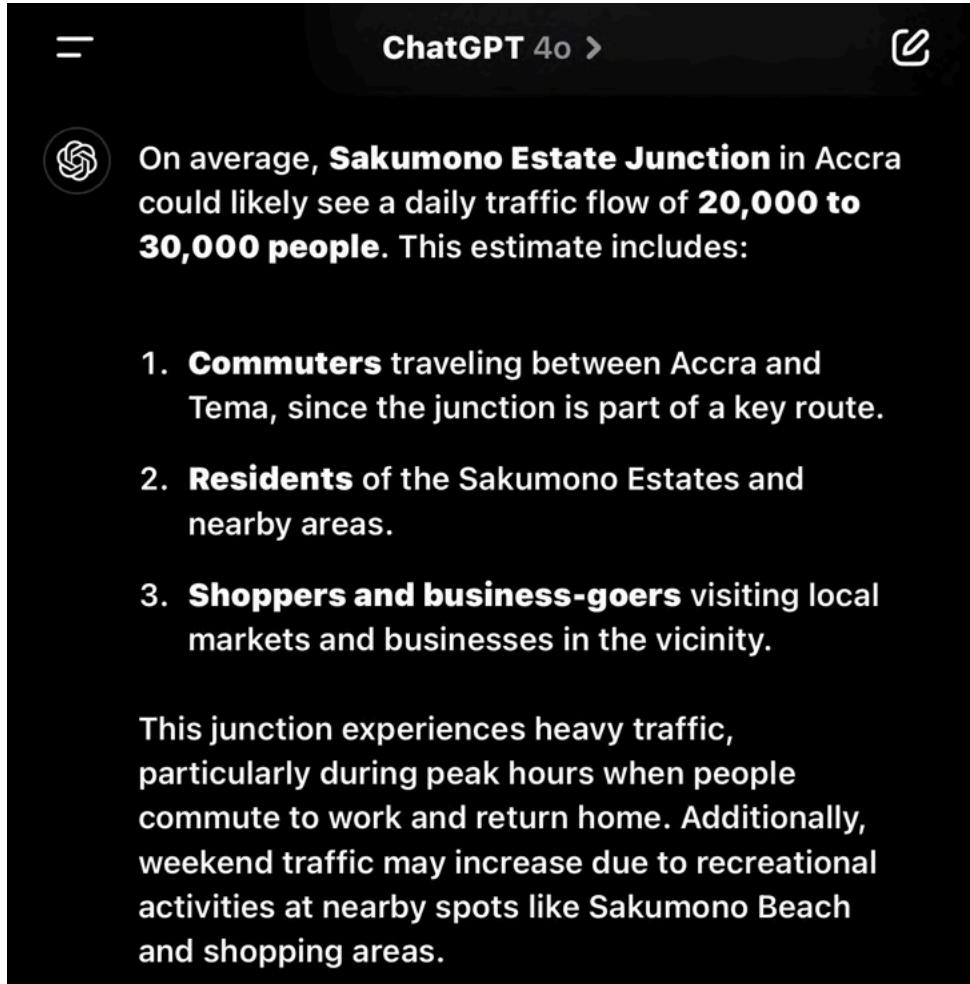

DATA

With advanced traffic data from Google Maps, OpenStreetMaps, and AI analytics (powered by ChatGPT), we provide precise insights into your ad's reach, ensuring strategic visibility.

The image shows a dark-themed interface of the ChatGPT 4.0 web application. At the top center, it says "ChatGPT 4.0 >". On the left, there is a circular profile icon with a stylized "G". The main content area contains the following text:

On average, **Sakumono Estate Junction** in Accra could likely see a daily traffic flow of **20,000 to 30,000 people**. This estimate includes:

1. **Commuters** traveling between Accra and Tema, since the junction is part of a key route.
2. **Residents** of the Sakumono Estates and nearby areas.
3. **Shoppers and business-goers** visiting local markets and businesses in the vicinity.

This junction experiences heavy traffic, particularly during peak hours when people commute to work and return home. Additionally, weekend traffic may increase due to recreational activities at nearby spots like Sakumono Beach and shopping areas.
